

Socorro Public Library is happy to introduce a new language learning program, Mango Languages. Mango works with your computer and has mobile apps for both Android and Apple products. If you do not know which application or software to use, please contact the library. Mango is available both within the library, as well as from outside sources.

### **Socorro Public Library How to Setup and Use Mango Languages**

1. Visit the library's website at: [www.adobelibrary.org](http://www.adobelibrary.org) and click on the banner link that says Mango Languages! Learn a language now!
2. By following the banner link or visiting the above site, you will reach our **Mango site**. This contains our personalized Mango page. You have two options upon reaching this site.
3. **Option One, Learning Anonomously** : Within the library, simply click the button labeled Start Learning. Select a language and click Launch. The launcher will check to make sure your computer has the correct programs to run Mango. Happy Learning! Outside of the library, you will need to input your library card into the box provided with the prefix SPL attached. Ex: SPL82300. Once you have done this, simply follow the above steps.
4. **Option Two, Tracking Your Progress**: Tracking your progress allows Mango to remember where you stopped the next time you login. Within the library, simply create an account using your email address and a password and click Sign Up. An activation email will be sent to your email address, simply click the link in the email and your account will be activated. You are now ready to start learning! Outside of the library, to create an account, you will need to have your library card handy. Input your card number preceded by SPL. Ex: SPL82300 Once you have done this, along with your email and password, continue by following the above steps.
5. For mobile devices, you must create an account with Mango Languages using your library card and download the **Mango Languages app** from either the iTunes store or the Google Play store depending on you device.

If you need additonal help, please click "**Help**" at the bottom of any Mango page. You may also call Mango directly at 1-877-626-4611 ext. 833 and the Mango staff will be ready and willing to help you!

If you would like more detailed information on how to start using Mango or getting the applications, please contact the library.
